Middle & High School Camp @ Maraneman on the Vaal

Maraneman on the Vaal is a team building venue for School Camps. They specialise in Leadership Development, Identification, Life Skills and so much more...

Maraneman is a beautiful campsite on the waterfront of the spectacular *Vaal* Dam, near Oranjeville in the Free State.

“One of the most important actions, things a leader can do, is to lead by example. If you want everyone else to be passionate, committed, dedicated, and motivated, you go first!”

NAIS has a brand new website!

www.nais.co.za

Keep up with what is happening in our school community on Facebook and Instagram.

It feels as if the first semester started as quickly as it finished. Our fresh start in August brought with it the promise of new and exciting changes, and sure enough delivered on all those points. Our NAIS family got younger with the addition of NAIS kids and our NAIS family grew bigger with the addition of new families.

As a *first* semester we also got to enjoy lots of “firsts” – our students participated in their first swimming gala, our students went on their first development camp, our younger elementary students wrote their first words and sentences, and our senior students made it through their first set of examinations.

As we celebrate and enjoy these successes, it is also important to remember and thank the people who played an instrumental role in each of the successes and firsts we have had the privilege of enjoying. To all our parents, thank you for your support and encouragement at home. To all my teachers, thank you for all your hard work and dedication. Your sincere care for every child you teach is noticed and appreciated. And, of course, to the stars of the show – our students! Thank you for your hard work, perseverance, energy, laughter, willingness to try new things and determination. We look forward to sharing many more successes and achievements with you.

I wish you all a restful and safe December break. If you are travelling, please travel safely, and above all, I hope that you all enjoy the time with your family.

We look forward to welcoming you all back on **Wednesday January 9, 2019** for an equally successful and exciting second semester.

End of Semester

It's been a good 1st semester so far, but as we start going into the month of December we sometimes find ourselves being a little worried about our grades.

Remember no matter how your 1st semester went, your 2nd semester is the perfect opportunity to begin anew with a fresh plan for success.

The start of the 2nd semester often lacks the energy and excitement that accompanies a brand new school year. Nevertheless, this semester requires the same level of focus and preparation as the 1st in order to succeed.

Important Dates

3-10 December: Middle & High School Exams

11-13 Dec: Middle & High School Leadership Camp

13 Dec: NAIS Kids-Grade 5 fieldtrip – Hansel and Gretel
