Teacher Appreciation Day

UNESCO inaugurated **5 October** as World Teachers' Day. World Teachers' Day represents a significant effort to raise awareness, understanding and appreciation for the vital contribution that teachers make to education and development across the globe.

Here at NAIS we got to celebrate our Teachers with some fine snacks just before our Mid Term Break.

“ The dream begins with a *teacher* who believes in you, who tugs and pushes and leads you to the next plateau, sometimes poking you with a sharp stick called truth. “

NAIS has a brand new website!

Heritage and Barefoot Day

24 September was South African Heritage Day. Here at NAIS we recognized our own individual heritage by coming to school in our heritage "uniforms" on September 21.

We also decided to take part in coming to work/school barefoot and donate a pair of shoes to the less fortunate.

We should always be grateful for what we have.

Thank you all for supporting such a good cause.

Staff Development

Some of our teachers visited Maphuta Secondary in Tembisa recently. As a school we would like to get involved in community outreach projects.

Humor corner

"Are you as bored as I am?"

If you read that backward,
it still makes sense.
